The EWOR Education Circle covers all topics of the startup journey, but in many areas you are free to set your own learning journey. The following important topics are taught by experts in these areas with a hands-on approach.

Empathy & Need Identification

Organisation Building & Growth

Opportunity Recognition

Product Management

Coding & Analysis

Speed & Design

► **Some of our lecturers, mentors & advisors**

The **EWOR** concept was conceived and developed in collaboration with unicorn founders, successful entrepreneurs, startup investors and reputable academics. Among those are:

Mattias **Bergström**

Mattias is a serial entrepreneur, who founded two ventures which IPO'd at a valuation of over \$1bn. He owns over 60 patents, many of which he has sold to renowned corporations.

Vaitea **Cowan**

Vaitea built Enapter, which IPO'd at €600 Mio and won the Earthshot Prize which she received from Prince William. She is also the Berlin Director of Sigma Squared society.

Alexander **Grots**

Alex has co-founded ProGlove, which was sold for € 500m, has been managing Director at IDEO, and helped articulate the Design Thinking Method. He has initiated and led many innovation and entrepreneurship programs at universities across the globe.

Florian **Huber**

Florian founded united-domains (sold to 1&1 Group in 2015) and neubau kompass (Germany's leading real estate marketplace). Florian was an angel investor investing in more than 50 tech startups. He was awarded "Business Angel of the Year".

We help you build your own company by giving you access to our entrepreneurship education, a network of successful entrepreneurs & investors, and a carefully selected group of like-minded peers to form connections for life.
