The EWOR Post-Idea-Fellowship is designed for people that are **already working on their own startup and want to get investor-ready.**

Learning
by **Doing**

Learning by
Studying

► Benefits

up to €150k funding

Meet **carefully selected peers** who share your entrepreneurial goals and might end up becoming your co-founder

Meet and learn from unicorn founders & startup investors

Access our **platform** built to help you launch a startup: courses, mentoring, outsourcing opportunities, and more

Several intense, **live sessions** per week (over a 6-week period)

► Platform

System

Engage in experiential learning where you apply what you learn right-away and learn through reflection and feedback.

Courses

20+ courses developed by successful startup founders and investors guide you through topics ranging from customer discovery to NoCode development.

Resources

Sign up for a 1:1 mentoring call with successful entrepreneurs or investors, and download free legal templates, pitch deck templates, and more.

Services

Outsource tasks such as financial accounting, app development, or website design to our network of carefully vetted partners.

We help you build your own company by giving you access to our entrepreneurship education, a network of successful entrepreneurs & investors, and a carefully selected group of like-minded peers to form connections for life.
